Tavorite Literary Quotes

A collection of our favorite words from books.

Madame Bovary

Human speech is like a cracked kettle on which we tap crude rhythms for bears to dance to, while we long to make music that will melt the stars.

Anna Karenina

All happy families are alike; each unhappy family is unhappy in its own way.

A Room of One's Own

No need to hurry. No need to sparkle. No need to be anybody but oneself.

The Hitchhiker's Guide to the Galaxy

Time is an illusion. Lunchtime doubly so.

To Kill a Mockingbird

I never loved to read. One

Song of Solomon

You wanna fly, you got to give up the s*** that weighs you down.

Charlotte's Web

It is not often that someone comes along who is a true friend and a good writer.

The Catcher in the Rye

Don't ever tell anybody

The Illustrated Man

That's what I want, a mental evidence I can feel. I don't want physical evidence, proof you have to go out and drag in. I want evidence that you can carry in your mind and always touch and smell and feel. But there's no way to do that. In order to believe in a thing you've got to carry it with you. You can't carry the Earth, or a man, in your pocket. I want a way to do that, carry things

- ✓ Good for presenting / sharing contributions
- Download in multiple formats including Excel (potentially a real time saver)
- Premium business version \$99 per user per year

Let's get creative: tools and techniques for collaboration

1 or 2 post-its on a Jamboard...

Grab a sticky note and add your name and the name of the digital tool that's helped you most to collaborate recently (Heritage Digital 1)

Creative – simply capture ideas

- Zoom Whiteboard available on free accounts
- ✓ Teams Whiteboard app need Office 365
- Jamboard need a Google account
- ✓ <u>Witeboard</u> totally free, very simple
- Pinup free, very simple public board
- VideoAnt free collaborative video annotation

Let's take a look...

Jamboard example - training exercise

Similar demographics in different parts of borough? Similar or different difficulties?

Asking those who are not coming why (how to find this out?) EG holding one off event in south of borough to try and get their details. Trying to find out from schools who the young carers are.

> Check address profile of current people and see where they are currently from and pinpoint on a map

External data- any similar charities other places to find out where carers are - eg ask Social Services. problem in the north that needs addressing Difficult to get to carers - yp may not want

Is there a

school friends to know they are carers.

Other carers

and groups

If they are young carers are they available? Busy caring?

What would Alice do next? Group 1

Promoting to young carers who don't know about the work

> Information networks? What already exists?

Internal data: looking into the characteristics, how they found out about the service plus further questionnaire.

> Information on the service that goes out more to one part of the borough

Ask yp how they would reach people in another part of the borough If they are a carer do they need to sort out their own transport and are they able to (eg too young to travel far) Travel links around the area - to her

How far from the centre do they live?

Length of

whether this

is a blockage.

Bus at

right

time

sessions

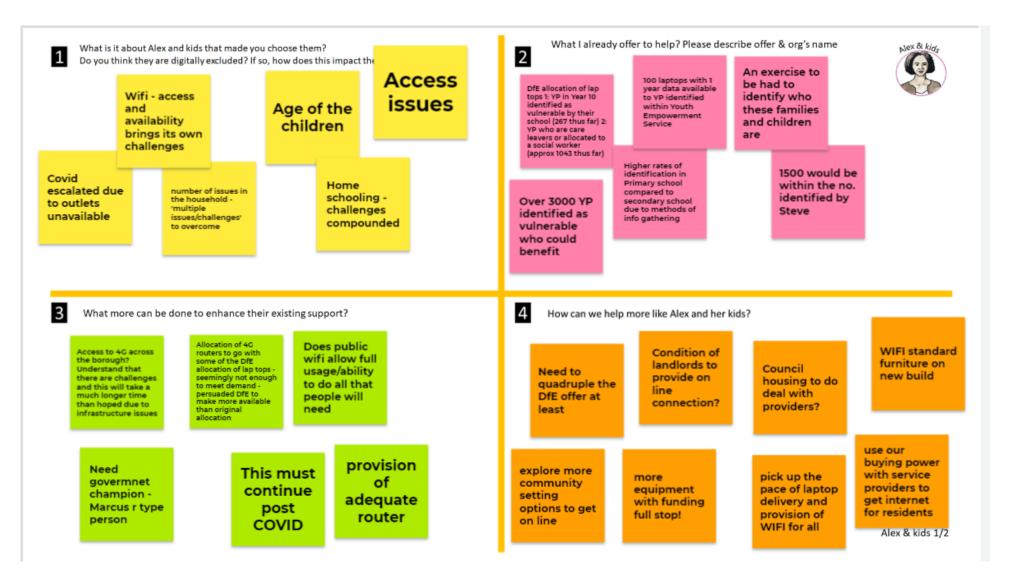

Age for travelling times? Safety?

venue

Age of young people and whether they can travel

Have they got help to get to the centre?

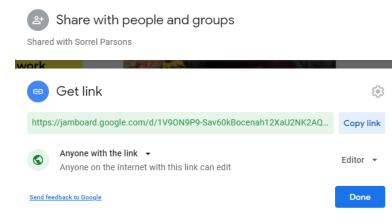

Jamboard example - structured collaboration

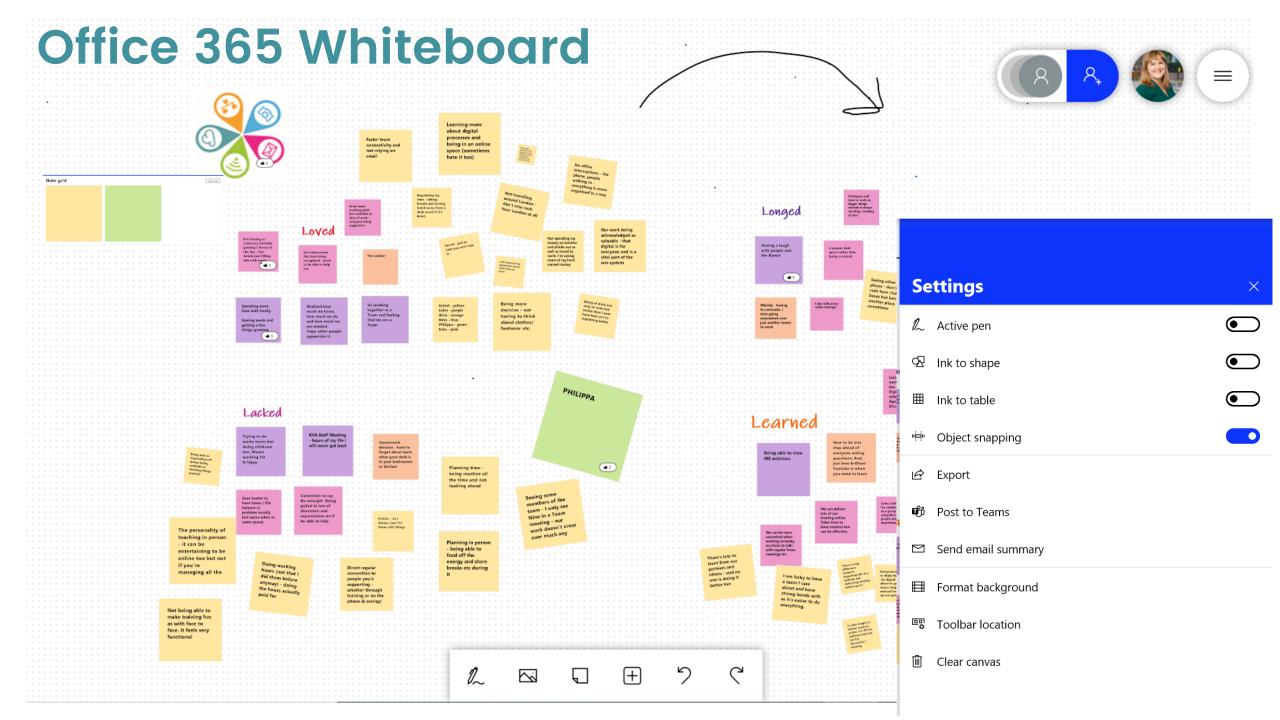

Jamboard recap

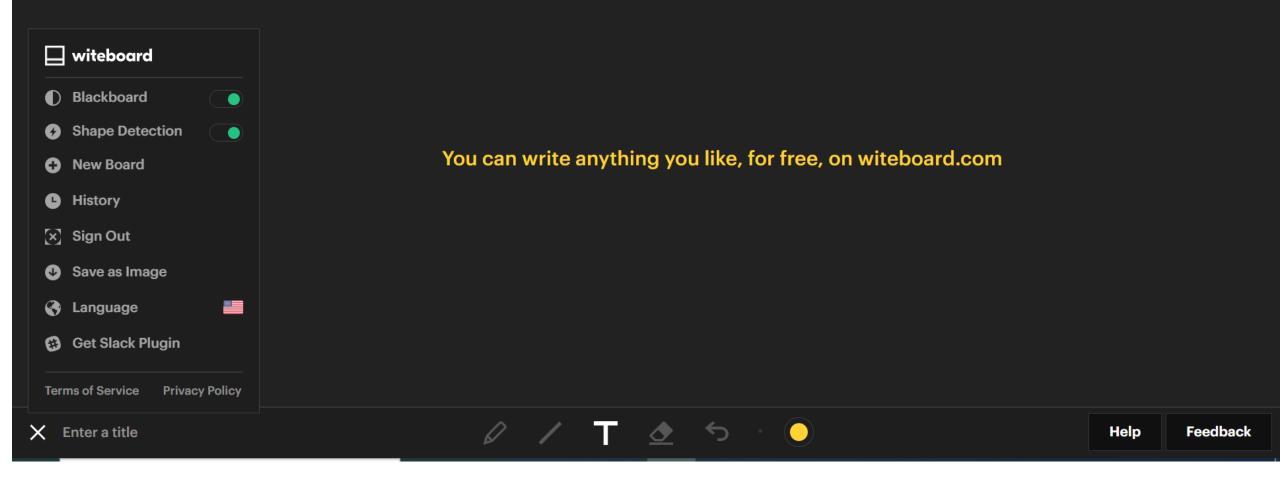

- Jamboard is available to anyone with a Google account (whether personal or as part of an organisational Google Workspace account)
- Launch Jamboard from your app launcher grid (top left of screen)
- Set up your Jamboard and click on Share – make sure you switch to Anyone with the Link can access and that they can Edit not just View
- Download as a PDF or png image file

Make a copy – good if you are leaving open for further unsupervised contributions

Advanced planning and decision-making

1 or 2 post-its on a Miro board. Vote for your favourite suggestions

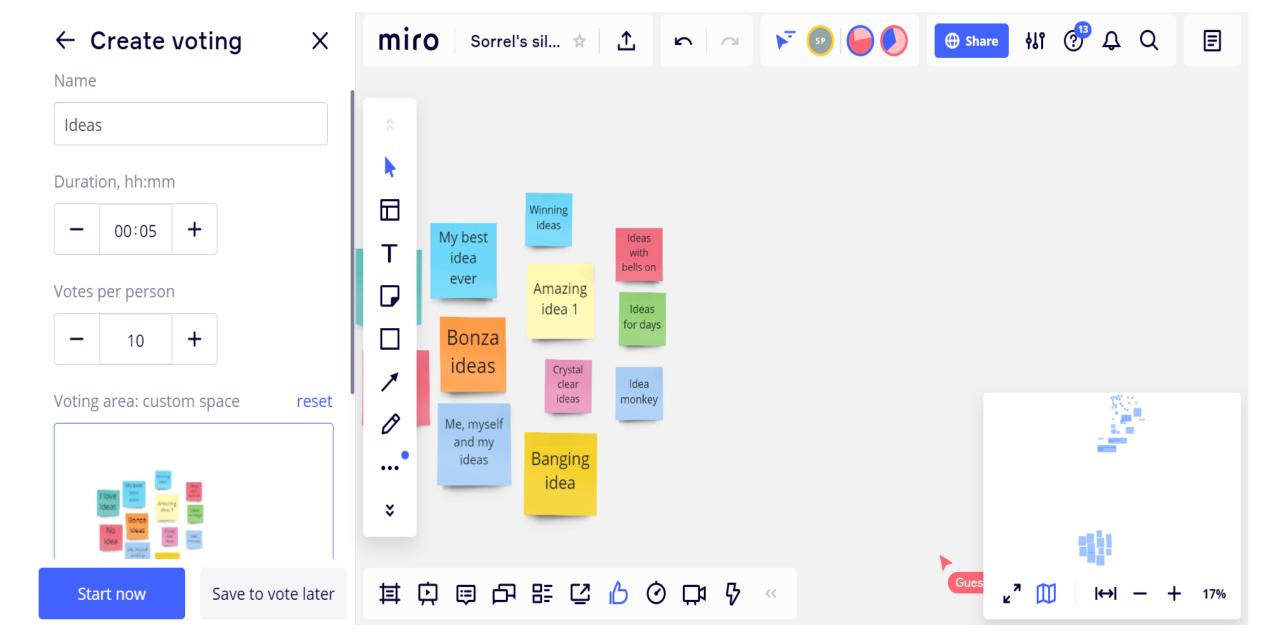

Notes for **Idter on**

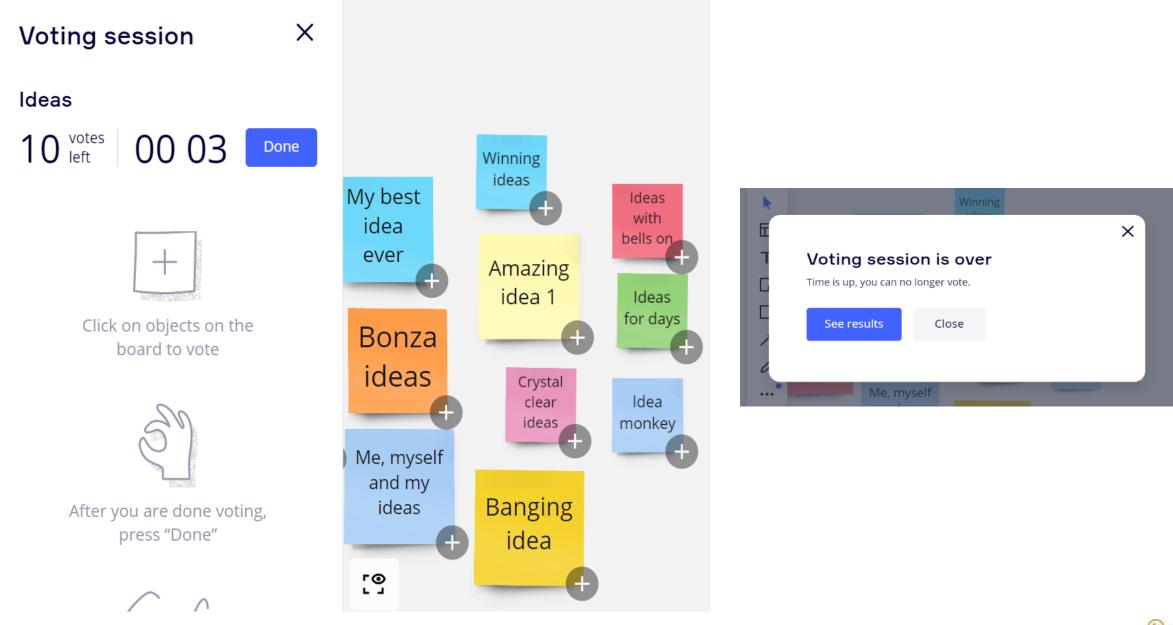

about voting using Miro

RECAP

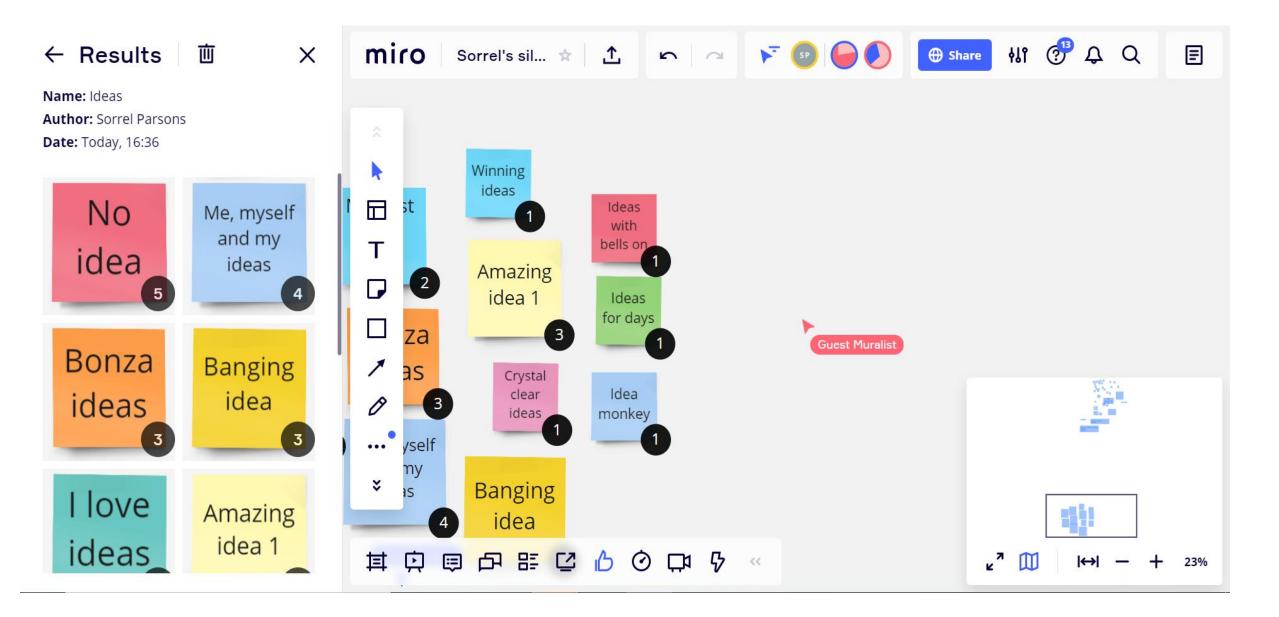

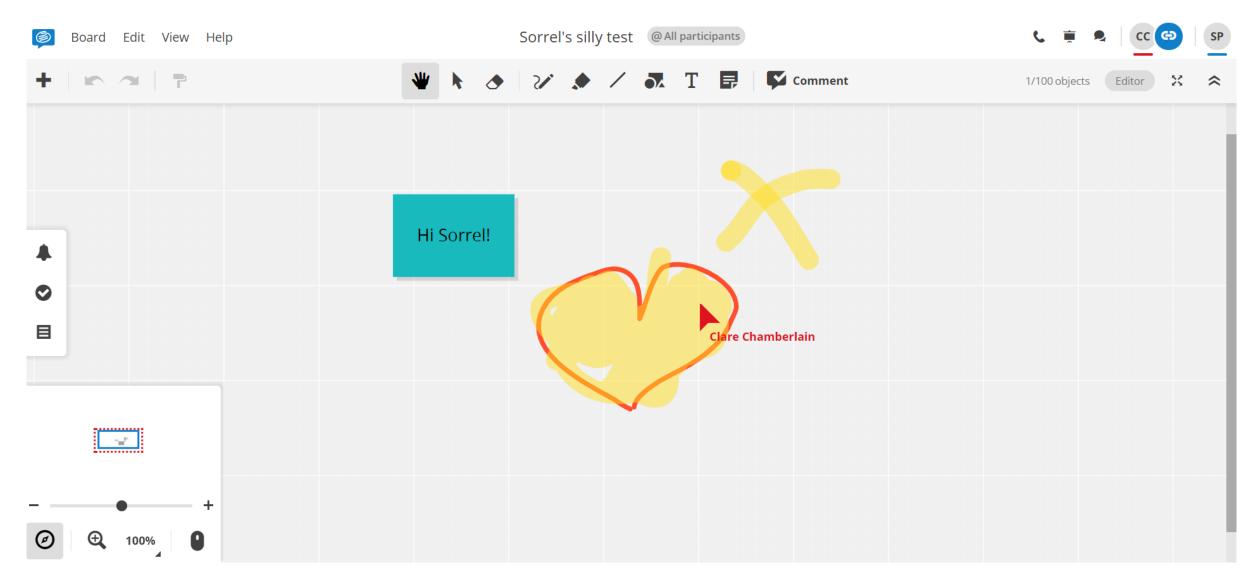

Advanced collaboration boards

- ✓ Conceptboard free version 100 objects, 50 people can take part (then \$6)
- Miro free version includes 3 editable boards. Team plan starts at \$8 per member per month, minimum 2 members (30% non profit discount = circa £138 per year)
- ✓ Mural starts at \$12 per member per month

There are many others! But can get quite expensive per user.

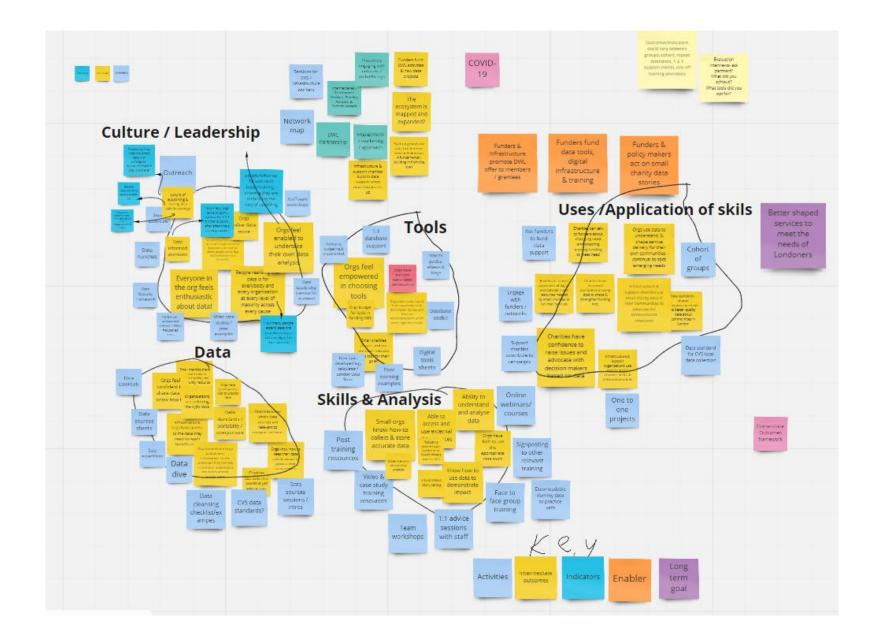

Let's take a look...

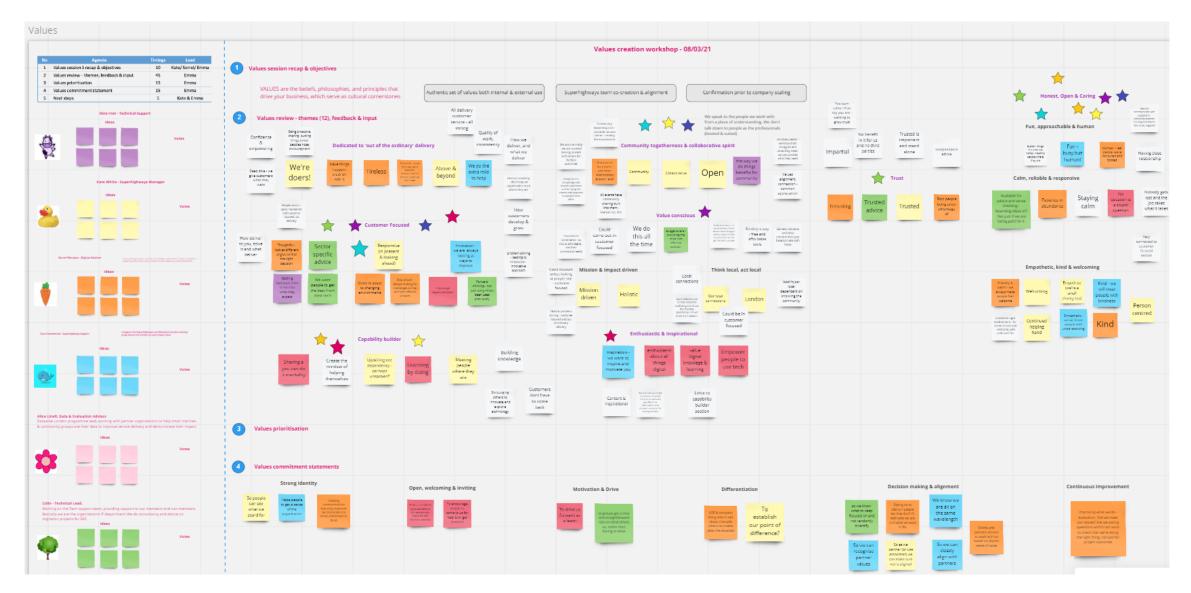

Conceptboard - nice midway, easy to use board - somewhere between Jamboard and a Miro board

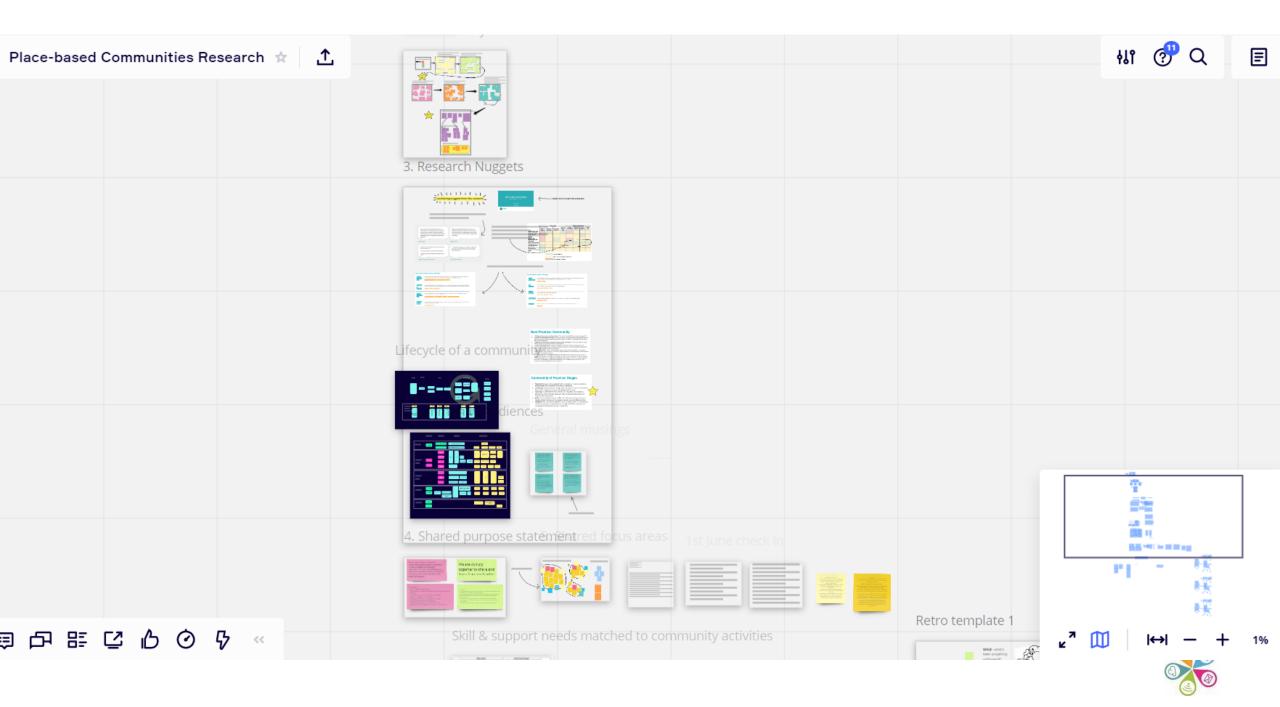

Miro recap

✓ Large boards

 You'll need to show people how to navigate – can be quite overwhelming for newbies!

✓ Voting capability

- Lots of templates e.g. flow charts, mind maps, customer journeys, kanban boards
- Download in multiple formats including Excel (potentially a real time saver)
- ✓ Make use of the 30% discount for charities!
- Paid version includes unlimited external editors

How are we feeling? Using Whiteboard with Zoom...

Sorry we forgot to save an image of your wonderful Whiteboard contributions!

But here's one from another session...

To help your attendees take part in a Zoom Whiteboard exercise you'll need to explain to them that 'Annotate' is in the drop-down under 'View **Options**'

Zoom Whiteboard recap

- Whiteboard is available for all Zoom users both free and paid for accounts
- ✓ Launch the Whiteboard from the Share Screen option
- Collaborators need to go to View options and click on Annotate to participate
- ✓ Zoom support:
 - ✓ Sharing a Whiteboard
 - ✓ <u>Using annotation tools on a shared screen or Whiteboard</u>

Quick poll:

How do you mostly share or assign tasks with others?

Assigned task planning

- ✓ Asana free version, 15 team mates
- ✓ Trello free version, 10 Kanban boards
- ✓ Microsoft Planner Need Office 365 account
- ✓ Kanbanchi Google fave, \$7.95 per user /pm
- ✓ Zoho Projects free (3 users, 2 projects), starts at £2.40

What should you look for before choosing a collaboration tool?

Let's collaborate & organise using a <u>Google doc</u>

Crowdsourced - decision influencers

✓ Scalability

Costs / charity discounts available

- Mobile vs desktop apps
- Organisational policy tools / platforms & methodologies
- Integration / automation possibilities
- ✓ Accessibility
- ✓ People / culture
- ✓ Internal / external use
- Support / training available
- Security / data governance

Document collaboration

- ✓ Google Docs works well online, easy to share
- ✓ Word share with One Drive, Teams or SharePoint
- Dropbox Paper, free product. Dropbox for Business starts at £10 per user, per month (40% discount possible)
- ✓ Zoho docs free for 5 users, 25 version history
- <u>Etherpad</u> free, open source (there are others)

And what about live editable notes? Otter.ai anyone?

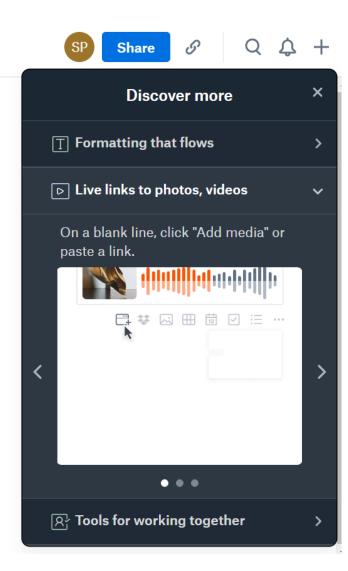

Let's have a look at a shared Word document

By brilliant Paper doc

Sorrel P Loving the free version.

We've come a long way...now we've got conversations with bells on.

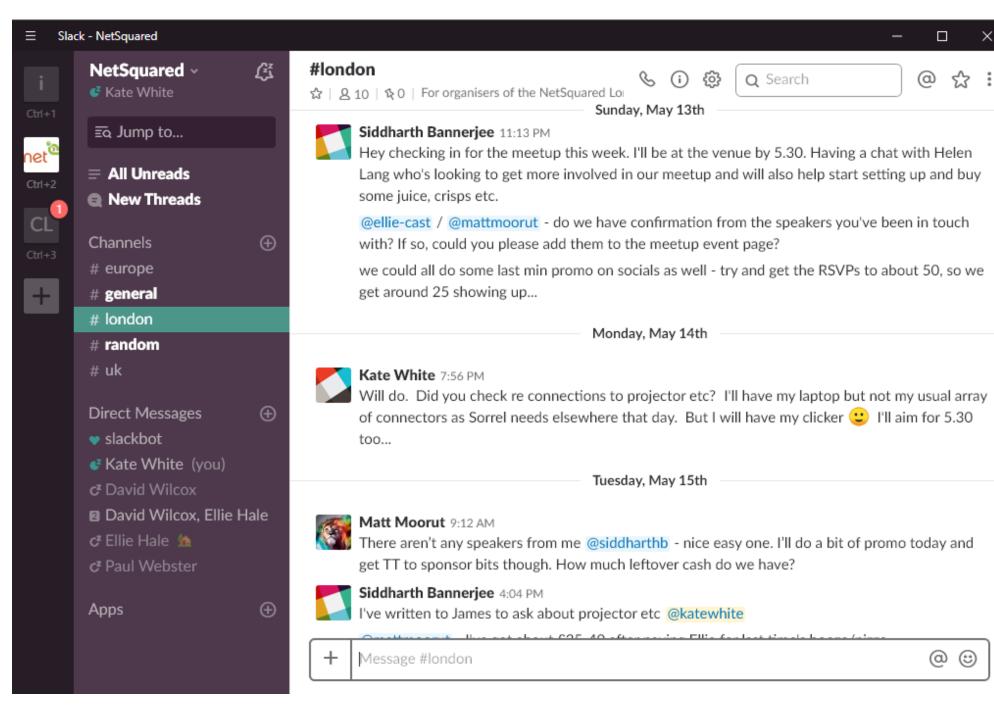

Chat, messages and more

- ✓ Whatsapp free, business version, needs mobile
- ✓ Slack free (1:1 calls), £5.25 per user, pm
- <u>Element</u> (Matrix) open source software, currently glitch but worth keeping an eye on
- ✓ Google Chat need G-suite
- ✓ Microsoft Teams need Office 365
- ✓ Kaizala / Facebook Workplace suites big teams

But there are a whole bunch of others –Monday, Flock, Brief Let's take a look...

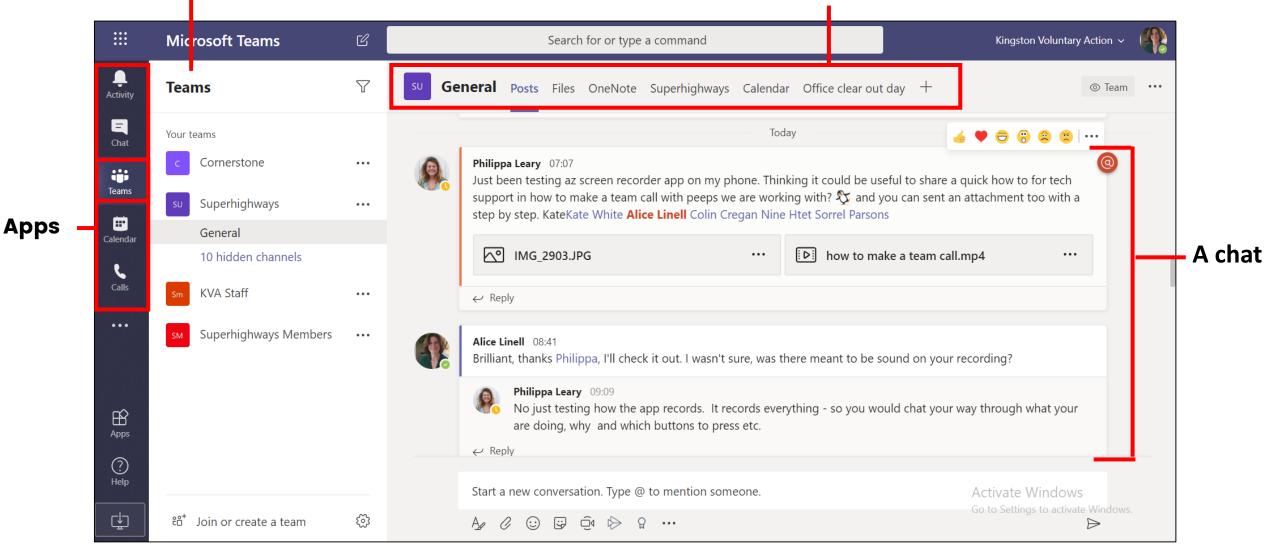

Your Teams

Tabs

All in one? Collaboration suites

Office 365 Starts at £3.80 per user per month

Google Workspace starts at £4.14 per user per month

Both donated via <u>Charity Digital Exchange</u> so free for registered charities
