

Exploring the new Indices of Deprivation data for London

Monday 26th January 2026 10-11.30AM

This document lists the tools and the URL for each tool that we will be using to explore the 2025 IoD data at today's event.

Please click on the links to explore each tool after you have seen the demo.

We also have a sample dataset that you can use to explore Community Lens.

1. OCSI (Oxford Consultants for Social Inclusion)
IMD Explorer:
<https://imd.localinsight.org/#/>
Indices on Demand Reporting Tool:
<https://ocsi.uk/products/on-demand/iod/>
2. Ministry for Communities, Housing and Local Government mapping tool:
<https://deprivation.communities.gov.uk/maps?type=imd&geog=Isa#5.69/52.362/-7>
3. Trust for London's rebased maps:
<https://trustforlondon.org.uk/data/index-multiple-deprivation-2019-rebased-london>
4. DataKind's Community Lens mapping tool allowing overlay of the 2025 Indices of Multiple Deprivation data:
<https://datakind-uk.github.io/community-lens-2025/>
5. Click here to [open a test dataset](#) to try using Community Lens
